

Know Your Dog: An Owner's Guide to Dog Behavior | 128 pages | Dorling Kindersley, 1992 | Bruce Fogle | 9781564580801 | 1992

Animal behavior expert Arden Moore answers scores of questions on dog ownership and psychology, from grooming and fleas to obedience training and puppy love. This book contains everything the new, curious, or frustrated pet owner needs to know to smooth out the wrinkles in any dog's coat! Read More. Dogs. The Dog Behavior Answer Book: Practical Insights & Proven Solutions for Your Canine Questions. By Arden Moore. Ratings His book Zak George's Dog Training Revolution: The Complete Guide to Raising the Perfect Pet with Love is our pick for best dog training manual because it provides a fresh new take on raising the perfect pup. This 240-page book covers all of the basics, from potty training to leash-pulling to aggression. It also provides must-know tips about dog ownership, like when to take your furry friend to the vet and how to pick the right food for his or her needs. Training Your Own Service Dog by Lelah Sullivan is a guide to teaching your dog skills to help him or her be a companion animal. Sullivan is a retired service dog trainer who covers the fundamentals of training a dog for a variety of disabilities. A practical handbook for dog owners discusses such important topics as hierarchy and pecking order, dominant and submissive actions, leadership, motivation, and Free shipping over \$10. I read this book not because I own a dog but to review this book for my classroom. I loved it! I have never owned a dog so I lack experience in ownership. This allows me access to practical information my students may need about dog ownership. It is a fun book to read and learn about dogs. I'm glad I bought it and recommend others to buy it too! (If they can find it.) Good For Behaviour. Published by Thriftbooks.com User , 16 years ago. This is a quick and easy guide for the basics in dog body language and the pictures are great. Written for the pet owner, this book explains how a dog's perceptions and desires result in its conduct. Best of all, by understanding what makes your dog tick, you'll learn how to socialize and train your dog to be the companion that you want. Modifying a dog's behavior isn't hard, it's simply a question of reinforcing the behavior that you desire. Ian Dunbar is a wise man, and I suspect he could write a brilliant book titled Human Behavior, a Dog's Guide to a Happy Healthy Pet just as easily as he did this one. I find myself dropping his name and thoughts into conversations on a wide range of subjects, most not dog related at all. A must for dog owners, sometimes the simplest truths are the hardest to recognise.
