She believed that any maker of justice would, and should, identify with life, that is a gift of wisdom and love. This book is so moderate at this point in feminist discourse. Even Daly's attempts at female inclusion and ordination in the Roman Catholic Church are gone by the time she publishes her second book, *Beyond God the Father*. However, this book could be published today with very few changes and still would read as a scathing indictment of evangelical masculine theology, especially that of John Piper, Mark Driscoll, Wayne Grudem, et al. There are some really great things to be gained from reading *The Church and the Second Sex*. It's a good repository of the sexism on display in some of the biblical writings. It's got some interesting hermeneutical moves that could be helpful for a more generous theology of scripture and revelation. The church does not want you to read this. "May our heterosexist, religious & materialistic friends find an open sexuality, a real god and the joys of nature". (Anon). ABOUT THE BOOK: Same author as "Taking A Chance On God", he debunks the bible & homosexuality for christians and anyone religious, where one can become comfortable being gay & religious. It is a work on the treatment of women throughout history and often regarded as a major work of feminist philosophy and the starting point of second-wave feminism. Beauvoir researched and wrote the book in about 14 months. She published it in two volumes and some chapters first appeared in *Les Temps modernes*. The Vatican placed it on its List of Prohibited Books.
