Inventing the American Woman: An Inclusive History, Vol. 2: Since 1877. (In two volumes, this third edition features expanded cover...) Completely up to date, with expanded coverage of women in the military, sports, women's healthcare, divorce, and women of color--especially Spanish-speaking, American Indian, African American, and Asian American women--this well-balanced, interpretive account portrays the myriad of women's experiences as they shaped and were shaped by American history, and redounds as a remarkable feat of insight and inclusion. As always, each volume features a stunning photographic essay, a visual account from the colonial era to the present. (more). all members. 3/4 Members. Professor Riley has also served as visiting endowed professor at University College, Dublin; Marquette University; and Mesa State College. In addition to authoring four editions of Inventing the American Women, Professor Riley has written The Life and Legacy of Annie Oakley (1994), A Place to Grow: Women in the American West (1992), Divorce: An American Tradition (1991), The Female Frontier: A Comparative View. If this book doesn't open your eyes to a woman's place in American history, past and present I don't know what will. I've never been so angry, moved and proud all at once. A definite must read for women. Inventing the American Woman 4th edition. An Inclusive History, Volume 1: To 1877. ISBN: 0882952501. When the first edition of this groundbreaking survey of U.S. women's history first appeared in 1986, no one could have predicted its spectacular success and widespread support or the vast proliferation of women's history courses in the nation's high schools, colleges, and universities. Informed by the generous feedback of many of Inventing's loyal users--student readers and instructors from every region of. An edition of Inventing the American Woman: An Inclusive History (2001). Inventing the American Woman: An Inclusive History. To 1877. 4 Rev Ed edition. by Glenda Riley. To 1877. 4 Rev Ed edition. This edition published in January 2007 by Harlan Davidson.

Inventing the American Woman book. Read reviews from world's largest community for readers. When the first edition of this groundbreaking survey of U.S. women's history appeared in 1986, the study of women's history has penetrated the curriculums of most American high schools, colleges, and universities. The widespread response to Inventing, as well as subsequent requests for its revision and updating, further demonstrate the tremendous thirst that Americans have developed for knowledge concerning the nation's women and their historical experiences. Like the first and second editions, this one presents an overview of the history of women in the United States. Intended for use as an introductory

Goodreads helps you keep track of books you want to read. Start by marking *Inventing the American Woman: An Inclusive History, Volume 1: To 1877* as Want to Read: Want to Read [Want to Read](#). Since 1985 500. Study Guide 517. Suggestions for Further Reading 518. "This is a wonderful set of two volumes on the history of American women, from the earliest colonial period to the 1990s. It is based on a wide variety of sources, and it is extensively documented. Anyone interested in the history of women in the United States should consult this important work."
