The Good Roads Movement occurred in the United States between the late 1870s and the 1920s. Advocates for improved roads led by bicyclists turned local agitation into a national political movement. Outside cities, roads were dirt or gravel; mud in the winter and dust in the summer. Early organizers cited Europe where road construction and maintenance was supported by national and local governments. In its early years, the main goal of the movement was education for road building in rural areas between Silk Road; movement; Han Dynasty; Xiongnu; Chinese foreign relations; archaeology; Central. Asia; Tarim Basin; tributary system. Summary. Much has been said and written about "The Silk Road" since Ferdinand Freiherr von Richthofen coined the phrase in 1877. Fostered by spectacular discoveries by so-called "explorers" such as Sir Aurel Stein, Paul Pelliot, Sven Hedin and others, the Silk Road soon. Early Chinese Diplomacy, Trade, and the Silk Road: A Revision. However, the common view of early Chinese foreign relations is severely flawed. First, the Western Han government was not at all pursuing economic profits from tributary relations. Rather, the imperial court was keenly interested in getting alien powers to actually accept Han suzerainty.
