Edmund burke. In twelve volumes. Volume the second. London. JOHN C. NIMMO. Sir, I will freely follow the honorable gentleman in his historical discussion, without the least management for men or measures, further than as they shall seem to me to deserve it. But before I go into that large consideration, because I would omit nothing that can give the House satisfaction, I wish to tread the narrow ground to which alone the honorable gentleman, in one part of his speech, has so strictly confined us. Burke was largely responsible for the impeachment of Warren Hastings, former Governor-General of Bengal. Burke never reserved his energies for great occasions or affairs. This volume, no less than its predecessor, depends heavily on the excellent edition of Burke's Correspondence, edited by Thomas W. Copeland and others. Again I would like to acknowledge a debt, greater than the notes can record, to those who have written on Burke, on his times, or on one of the many subjects that intersect with his career, and whose work has informed my understanding and interpretation of Burke and his life.
