Elements of Language - This challenging book will give the student a great foundation in grammar and writing. The layout of the lesson is not busy. This book's embellishments is a great balance of black and white text, colored text, and graphics. Although it is a middle school text book, it could be used with older students without the pupil feeling as if they are using a "baby's book." It's the elusive gold standard that other programs are measured by. Elusive because books by that name have been out of print for years and are only available on the used market. "Gold standard" because many think that Warriner's mastery approach of "rule, example, and practice" is the way that grammar should be taught. Start by marking "The Elements of English Grammar (Classic Reprint)" as Want to Read: Want to Read saving; Want to Read. Currently Reading. Read. The Elements of English by Alfred Slater West. Other editions. A class reading every week seven pages of this book will work its way to the end in the course of the school year. No attempt has been made to divide the content Excerpt from The Elements of English Grammar. An hour a week is the time usually allotted to the study of English Grammar at those schools in which the conflict of studies allows it a place in the educational routine. A class reading every week seven pages of this book will work its way to the end in the course of the school year. Finally, all the rules of English grammar in one comprehensive book, explained in simple terms Free English Grammar. 488 Pages 2005 1.96 MB 316,101 Downloads. All of the essential points of English grammar are covered. * Each point of 1. English Grammar Practice. This book provides grammar exercises for students working on their own, with an integrated key at the back for reference. A practical blend of the most useful elements of both traditional and new linguistic grammar, the text emphasizes whole structures, most specifically the ten basic sentence patterns introduced in Chapter 3. Two key features separate this book from others: its clear organization and its user-friendly, accessible language. Both students and teachers appreciate the self-teaching quality that incremental exercises provide throughout the chapters, with answers at the end of the book. These and many other points of English grammar are explained in the book, and there are exercises on each point. English Grammar in Use PDF.
