(The file is large and can't open in smartphone). This last volume of his Collected Letters covers not only the Narnia novels but his brief marriage to the divorced American writer Joy Davidman; his major work of criticism, English Literature in the Sixteenth Century; and the overdue professional recognition he won when he was granted an endowed chair at Cambridge after years of snubs at Oxford, where he remained a lowly, overworked. In the era of the ballpoint, he used a nib pen dipped in ink every four or five words. The letters undermine the myth of a scholarly bachelor idyll. The enemies of peace were in his own household -- especially Janie Moore, the mother of a fellow soldier killed in World War I, sometimes referred to as his "mother" and by Warren as a "horrid old woman."
