

Chilean Rural Labor in the Nineteenth Century, , Center for Latin American Studies, Institute of International Studies, University of California, 1971, Arnold J. Bauer, 1971

Book Description: Partners in Conflict examines the importance of sexuality and gender to rural labor and agrarian politics during the last days of Chile's latifundia system of traditional landed estates and throughout the governments of Eduardo Frei and Salvador Allende. Heidi Tinsman analyzes differences between men's and women's participation in Chile's Agrarian Reform movement and considers how conflicts over gender and sexuality shape the contours of working-class struggles and national politics. In 1965, the sociologist Laura Collantes conducted an unusual and widely read study on campesino sexuality in the Aconcagua Valley county of Santa MarÃa. Rural Englands book. Read 2 reviews from the world's largest community for readers. This is the first ever general history of nineteenth-century English ... Goodreads helps you keep track of books you want to read. Start by marking "Rural Englands: Labouring Lives in the Nineteenth-Century" as Want to Read: Want to Read saving Want to Read. However, after two centuries of industrial progress, labor became abundant and natural resources were exploited in an unsustainable matter to the extent that they became scarce. The second industrial revolution will swiftly change the world, as the population realizes that wastes can be regarded as resources. In the nineteenth century large numbers of workers, living in extreme hardship, earned much too little to set anything aside for adversity or old age. While in rural areas the family could see after the needs of its poorer members, in towns workers were left to their own devices. These facts have been described often enough not to need repeating here.
