Health care, education, welfare, law—the perceived success or failure ... In this book, Ackoff and Rovin join the discussion, using systems theory to develop new approaches to governance, the structure and function of our cities, and civic leadership in general. Each chapter tackles a different, important Health care, education, welfare, law—the perceived success or failure of these social institutions is constantly being debated in the public arena. Russell Lincoln Ackoff was Anheuser Busch Professor Emeritus of management science at the University of Pennsylvania's Wharton School.
