

Curriculum Vitae

Hendrik J. Monkhorst
Quantum Theory project
and Physics Department
University of Florida
Gainesville FL32611-8435

Born: 13 October, 1938, Kampen, the Netherlands

Education

PhD, Theoretical Chemistry, University of Groningen, 1968, the Netherlands

Professional Record

- September 2000–June 2001, sabbatical, University of California, Irvine, Physics and Astronomy Department, and TriAlpha Energy, Inc
- 1983–present, Professor of Physics and Chemistry, University of Florida, Gainesville, Florida.
- 1982–1983, Associate Director of the Quantum Theory Project.
- 1982–1983, Associate Professor of Physics and Chemistry, University of Florida, Gainesville, Florida.
- 1978–1982, Associate Professor, Department of Physics, University of Florida, Gainesville, Florida.
- 1975–1978, Associate Research Professor, Physics Department, University of Utah, Salt Lake City, Utah.
- Summer 1974, Visiting Professor, Aarhus University, Aarhus, Denmark.
- 1973–1975, Assistant Research Professor, Physics Department, University of Utah, Salt Lake City, Utah.
- 1972–1973, Senior Research Associate, Physics Department, University of Utah, Salt Lake City, Utah.

- 1971–1972, Research Fellow, Institute “Rudjer Boskovic,” Zagreb, Croatia, Yugoslavia.
- 1968–1971, Research Associate and Associate Instructor, Physics Department, University of Utah, Salt Lake City, Utah.
- 1965–1968, Research Assistant, University of Groningen, The Netherlands.

Awards and Honors

1. Hercules Powder Company Award for Outstanding Research in Physics, 1970
2. Fellow, American Physical Society, 1991
3. March 2003: Passed 2,000 citations mark of paper Special Points for Brillouin Zone Integrations, By H. J. Monkhorst and J. D. Pack, Phys.Rev B13, 5188(1976)
4. June 2005: Above article cited in Physics Today article “Citation Statistics from 110 Years of *Physical Review*: positions 11 and 6 on lists articles with “More than 1,000 citations” and “Hot Papers”, respectively

A wide variety of professional recording options are available to you, such as packing, function, and application. Jaron Ennis (born June 26, 1997) is an American professional boxer. As an amateur, he won a silver and gold medal at the U.S. National Golden Gloves Championships in 2014 and 2015 respectively. Ennis made his professional debut on April 30, 2016, defeating Cory Muldrew via first-round knockout (KO) at the Dixie Center in St. George, Utah. He fought a further seven times in 2016, scoring four consecutive stoppage wins over Luis Ramos in May; Deshawn Debose in June; Tavorus Teague in July; and Matt A Complete Recording Studio Equipment List for beginners to use as a reference.
