Many books claiming "a-z" coverage on the subject of Classical mythology either concentrate on only the most well-known mythical figures and places or are difficult for non-experts to navigate. "Classical Mythology A-Z" will find a happy home on the shelves of new and seasoned fans of mythology alike. Entries range from the "big names" (e.g. Zeus, Achilles, Athena) to far lesser-known figures (e.g. Deidamia, Poeas, Nephele) with ample cross-referencing to aid even the most casual reader of Classical myths. In Norse mythology, the northernmost branch of Germanic mythology and most extensively attested, Frigg is described as a goddess associated with foreknowledge and wisdom. Frigg is the wife of the major god Odin and dwells in the wetland halls of Fensalir, is famous for her foreknowledge, is associated with the goddesses Fulla, Lofn, HIAn, and GnAi, and is ambiguously associated with the Earth, otherwise personified as an apparently separate entity, JAr (Old Norse "Earth").
