### Reviews

*This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Ken Watsica

*This book might be worth a study, and superior to other. It can be writer in easy words and phrases and never confusing. I am just happy to inform you that here is the greatest ebook i have got read within my personal daily life and may be he best pdf for actually.*

-- Mrs. Avis Little DDS

Gareth Dale. \*Shortlisted for the Deutscher Memorial Prize 2017\*. Karl Polanyi's contribution to political economy and social science is immeasurable. In *Reconstructing Karl Polanyi*, Gareth Dale, foremost scholar and biographer of Polanyi, provides a sweeping survey of his contributions to the social sciences. An opponent of traditional economics and a believer in economics' contingency to society and culture, Polanyi's work has a cross-disciplinary appeal, finding popularity in anthropology, economic history, economic sociology and political science. Paradoxical formulations, s In *Reconstructing Karl Polanyi: Excavation and Critique*, Gareth Dale contributes a further volume to his decade-long research into the life and thought of the influential political economist. Here, he provides an account of Polanyi's specific contributions to the social sciences, reconstructs some of his more complex or elusive concepts and reflects on the relevance of his theories to present-day issues including the European Union. While he would recommend Dale's previous works to those less familiar with Polanyi due to the book's density, Chris Moreh praises this as a magisterial addition. Karl Polanyi has become a key reference in research efforts to understand the contradictions inherent to the market economy and neoliberal globalisation. This notable renaissance of Polanyi's work unites approaches of scholars from economics, sociology, and political science under at least five broad endeavours. *Reconstructing Karl Polanyi. Excavation and critique.* London: Pluto. Fraser, Nancy. *Reconstructing Karl Polanyi* book. Read reviews from world's largest community for readers. Karl Polanyi was one of the most influential political economists of the twentieth century and is widely regarded as the most gifted of social democratic theorists. In *Reconstructing Karl Polanyi*, Gareth Dale, one of the foremost scholars of Polanyi, provides a sweeping survey of his contributions to the social sciences. Polanyi's intellectual and political outlook can best Karl Polanyi was one of the most influential political economists of the twentieth century and is widely regarded as the most gifted of social democratic theorists.

For instance, Polanyi's critique of dominant Marxist and sociological frameworks is discussed in a cogent fashion. At the same time, Dale succinctly draws Polanyi's soft leaning towards a hardcore, Stalinist line. Polanyi's intellectual departure from both the capitalist west and the Soviet east is also discussed as one of the striking facets of his intellectual path. An unprecedented analysis of the revered political economist Karl Polanyi's life and work, drawn from newly discovered primary sources. The power of market fundamentalism : Karl Polanyi's critique / by: Block, Fred L., et al. Published: (2014). Karl Polanyi in dialogue : a socialist thinker of our time / Published: (2017). Karl Polanyi on ethics and economics by: Baum, Gregory, 1923- Published: (1996). Ten great economists / by: Schumpeter, Joseph A., 1883-1950. Published: (1997). Polanyi, Karl, 1886-1964. The great transformation: the political and economic origins of our time / Karl. Polanyi; foreword by Joseph E. Stiglitz; with a new introd. by Fred Block. 2nd Beacon Paperback ed. p. cm. There is a good explanation for this durability. The Great Transformation provides the most powerful critique yet produced of market liberalism—the belief that both national societies and the global economy can and should be organized through self-regulating markets. Since the 1980s, and particularly with the end of the Cold War in the early 1990s, this doctrine of market liberalism—under the labels of Thatcherism, Reaganism, neoliberalism, and "the Washington Con Start by marking "Reconstructing Karl Polanyi: Excavation and Critique" as Want to Read: Want to Read saving; Want to Read.
