Download A Truffaut Notebook books, François Truffaut (1932-1984) ranks among the greatest film directors and has had a worldwide impact on filmmaking as a screenwriter, producer, film critic, and founding member of the French New Wave. His most celebrated films include *The 400 Blows*, *Shoot the Piano Player*, *Jules and Jim*, *Day for Night*, and *The Last Metro*. *A Truffaut Notebook* is a lively and eclectic introduction to the life and work of this major cinematic figure. In entries as brief as a page, as well as in full-length essays, it examines topics such as Truffaut's mentors, the autobiographical nature of his films, his place in the film tradition, his film criticism, his reputation, his relationships with other directors, and the formal and thematic coherence of his body of work. Because the book returns regularly to the author's shifting responses to Truffaut's work over the last fifty years, it also offers an autobiographical meditation on his own lifelong fascination with film. *A Truffaut Notebook*.
