

Ancient Ruins and Rock Art of the Southwest: An Archaeological Guide / 2015 / David Grant Noble / 304 pages / Rowman & Littlefield, 2015 / 9781589799387

This is the essential guidebook to archaeological ruins in the greater Southwest. Now in its fourth edition, new with more ruins in more places & new color photos and better maps to help find the sites. Noble also incorporates new information gained by the most recent research. He also incorporates new information gained by the most recent research. This guide describes dozens of archaeological sites, including ancient rock art panels and historic sites, in Texas, New Mexico, Arizona, Colorado, and Utah. The sites are selected because they are open to the public, reasonably accessible, monitored and cared for, and in most cases interpreted for the layman. If you haven't seen these ancient places, this book will guide you there. If you have visited these sites, this book will remind you of why you first sought them out. I will be reading this book in my rocking chair when my field days are done. - Stephen H. Lekson, curator of archaeology, University of Colorado Museum of Natural History. This is an excellent archeological guide to many of the more prominent ruins and rock art sites in the southwest. It is archeologicalally oriented, but the writing is very jargon free. It gives a nice historical overview of the sites and the significance of them in terms of the ancient history of the southwest. See what's new with book lending at the Internet Archive.
