#### Description:

David M. Potter's Pulitzer Prize-winning *The Impending Crisis* is the definitive history of antebellum America. Potter's sweeping epic masterfully charts the chaotic forces that climaxed with the outbreak of the Civil War: westward expansion, the divisive issue of slavery, the Dred Scott decision, John Brown's uprising, the ascension of Abraham Lincoln, and the drama of Southern secession. Now available in a new edition, *The Impending Crisis* remains one of the most celebrated works of American historical writing.

Now available in a new edition, The Impending Crisis remains one of the most celebrated works of American historical writing. "synopsis" may belong to another edition of this title. A The Impending Crisis, 1848-1861, is the fairest and most intelligent history of the antebellum period yet to appear in print. Because it both synthesizes and comments upon a vast body of scholarship and because it is literally crammed with penetrating insights and perceptive judgments about a host of events and controversies, it should be the first place that one looks henceforth for an assessment of those troubled years. Rather they have argued that because each section viewed the extension of the other's civilization to the West as a threat to its own, the sections went to war over the question of slavery extension. Since the publication of his Lincoln and His Party in the Secession The Impending Crisis 1848 - 1861 by David M. Potter. Review by Robert Wilfred Franson. completed and edited by Don E. Fehrenbacher. David M. Potter's big history, The Impending Crisis, 1848-1861, describes and analyzes a period of American history both more complex and more simple than we may be used to in our thinking. Before getting into specifics, though, I want to emphasize some major virtues of the book. First, Potter maintains a respect for the people involved.

The Impending Crisis, 1848-1861 is a 1977 nonfiction book by American historian David M. Potter, who had died in 1971. The book was completed by fellow Stanford University professor Don E. Fehrenbacher and published in 1977 by Harper & Row. It was awarded the Pulitzer Prize for History.[1]. References. ^ "Deaths". The Washington Post. â€" via HighBeam Research (subscription required). December 21, 1997. The Impending Crisis book. Read 100 reviews from the world's largest community for readers. â€œDavid M. Potterâ€™s magisterial The Impending Crisis is the si...â€ David Potterâ€™s sweeping, epic, and award-winning The Impending Crisis presents a long look at America from the end of the Mexican-American War in 1848 to the bombardment of Fort Sumter in 1861. It tells the story of how the suppurating wound of slavery finally infected the whole of the United States, causing a rupture that resulted in a bloody four-year war, decades of legalized racism, and enormous efforts on behalf of civil rights activists to even begin to heal. The work, of course, is still not done. In trying to see a way forward, it is often helpful to use the past as a guide, if for no The Impending Crisis is one of the finest available. If you wish to place these final years in context, then read all three books for a superlative overview of events. The Impending Crisis 1848-1861 is a true classic of historical writing. Read more. 44 people found this helpful.â€ This is not just my opinion. So said James Lee McDonough in his 2016 biography of William Tecumseh Sherman. "The best single work on the period, for a combination of detailed information, excellent analysis, and acceptable readability remains David Potter's Impending Crisis." (p256, n.15). McDonough both cites and quotes it extensively for good reason. If I was allowed only two books to try to comprehend the American Civil War, I would choose McPherson's Battle Cry of Freedom, and this one. The Impending Crisis, 1848-1861. (Part of the The New American Nation Series Series). See Customer Reviews.â€ Potter tries to leave hindsight out of it and just present the facts as they occurred in the years 1848-1861. What the reader gets is a great view of the people and events of the time as they happened and what their direct causes were. The many other reviewers will probably do better than I can, but simply put, if you are interested in the antebellum history, the Civil War, American politics, or just looking for a good read, pick up this book.
