The authors assert that great leaders are made, not born. Everyone has the ability to shape himself or herself into the kind of person who enables and uplifts others to reach their highest potential--and in *12 Disciplines of Leadership Excellence*, they reveal exactly how to achieve it. It all starts with discipline. In this groundbreaking book, the authors break down great leadership into 12 disciplines, including: Clarity about who you are, where you are going, and how to get there. Master the 12 disciplines of powerful leadership and lead your organization to greatness. We've all heard the phrase "born leader." Leadership experts Brian Tracy and Dr. Peter Chee are here to debunk the myth that you either have it or you don't. That leadership is a talent bestowed on some and not on others. That in order to lead effectively, you have to have it in your genes. The authors assert that great leaders are made, not born.
