annual Mummers Parade for nearly a quarter century. He is an officer on the board of the Mummers Museum and a member of the Broadcast Pioneers of Philadelphia Hall of Fame,
having served as an anchor, reporter, and news director in television and radio over a 40-plus-year career. He is currently vice president of Institutional Advancement at Cabrini
University.Â Disappointed in the dimensions of the book and, especially, the "quality" of the paper. Reproduction was poor and not worth the cost, in my opinion. Read more. This
book explores the community created and annually reaffirmed by the Philadelphia Mummers. The author spent more than five years with the Mummers, observing their lives and
rituals as she took part in their preparations and parades. Writing with the fascination of a sociologist and the excitement of a participant, Masters examines the Mummers from their
beginnings. Through the prism of their century-long history, we can see how communities retain their identities and how they are affected by larger cultural trends. eISBN: 978-1-
