French explorer Samuel de Champlain began exploring North America in 1603, establishing the city of Quebec in the northern colony of New France, and mapping the Atlantic coast and the Great Lakes, before settling into an administrative role as the de facto governor of New France in 1620. Early Life. Samuel de Champlain was born in 1574 (according to his baptismal certificate, which was discovered in 2012), in Brouage, a small port town in the province of Saintonge, on the western coast of France. Although Champlain wrote extensively of his voyages and later life, little is known of his childhood.
