His book Zak George's Dog Training Revolution: The Complete Guide to Raising the Perfect Pet with Love is our pick for best dog training manual because it provides a fresh new take on raising the perfect pup. This 240-page book covers all of the basics, from potty training to leash-pulling to aggression. It also provides must-know tips about dog ownership, like when to take your furry friend to the vet and how to pick the right food for his or her needs. George provides a humane and friendly approach to dog training, packed with advice on decoding and "talking to" your pup. Zak George's b... Looking for the best dog training book, please find the best one that is up to date on positive reinforcement and easy to apply for every kind of dog.Â Besides meeting and working with a professional dog trainer, a book is one of the best ways to educate yourself about how to work with your dog. This list will go into detail about different types of books on the market, and explain who they may be better suited for. The end of each section will explain if this book is right for you and your dog, and they are separated into three different sections. Each book is either good for new puppy owners, owners with older dogs, or owners with experienced, trained dogs.
