This is a review of the book *True Tales of the Wild West* by Paul Robert Walker. Included are standard Westward Movement and History of the West fare, like the California Gold Rush, Lewis & Clark, the Pony Express, the Showdown at O.K. Corral, and even the Klondike Gold Rush. But Walker also includes some other stories that are just as compelling but aren't usually talked about in the same breath as the others. Among these are the story of Jedediah Smith, the man who walked across the great Western Desert in search of a fabled river that didn't exist, and the story of The Grattan Fight, a bloody episode involving Native Americans and American soldiers that se After a dozen novels and short-story collections that scandalised the bourgeoisie of Hendon and Golders Green, Sinclair has now gone in search of his inner cowboy, journeying across the Old West in a quest for the truth behind iconic figures such as Wyatt Earp, George Custer, the James brothers, Wild Bill Hickok, Geronimo, Crazy Horse, et al. In real life, Sinclair looks like the stereotypical diaspora Jew, with three thousand years of suffering etched on his features and the expression, in his own words, of "a man who has toothache". But in the melange of fact, fiction and lubric 48 p. : 22 cm. Wild tales were being spread, first of nuggets of gold, then boulders of gold, then mountains of gold, and rivers gleaming with gold. The rush was on! John Sutter was disappointed that gold was on his property. Throughout the 1850s, miners would pause for a few days on the eastern side of the Sierra to search for gold before continuing west to California's Mother Lode. Finding the yellow flakes scarce, they would move along. These miners had no idea that they were standing on a precious metal of another sort—silver!

Start by marking "True Tales of the Wild West" as Want to Read: Want to Read saving; Want to Read. Today's Wild West is not what it was, though it wishes that it were. The old certainties are gone, leaving only questions -- but can anyone separate truth from legend, fact from fiction? Two cousins set out to attempt just that: the one is Peppercorn, a fading photo-journalist in search of his inner cowboy; the other is Saltzman, lecturer in American Studies at the University of California, Berkeley. Today's Wild West is not what it was, though it wishes that it were. The old certainties are gone, leaving only questions -- but can anyone separate truth from legend, fact from fiction?
