Interpreter of Maladies by Jhumpa Lahiri.Â By far one of the most inventive mystery novels of our time, The Curious Incident of the Dog in the Night-Time is written in first-person from the perspective of a young boy described as "a mathematician with some behavioral difficulties." It opens up with him witnessing the death of a neighbor's dog, and as the story unfolds, we learn that it's not just a mystery, but it's also a tale about perception, belonging, and connection. "Prime numbers are what is left when you have taken all the patterns away. I think prime numbers are like life. His great sermon, What If Calamity Comes? deals with those times. His sermons were regularly halted by bombings in the city. Sometimes he preached through them, telling hearers, "Those of a nervous disposition may leave now." During the five years of German bombing, Sangster virtually lived in the great bomb shelter below the church building. In 1949, he was elected leader of the Methodist Conference of Great Britian, ephasizing evangelism and spiritual growth. He was a great student of homeletics, authoring several books on preaching, including The Craft of Sermon Construction.Â He stood true, extolling the reliability of Scripture and man's need for the sacrifice of Christ. His preaching was inspiring and direct. Read unlimited* books and audiobooks on the web, iPad, iPhone and Android.Â Author Fighting for the Faith.
