Teaching English Language Learners book. Read reviews from world's largest community for readers. Teaching English Language Learners is the essential how... Start by marking "Teaching English Language Learners: The How to Handbook" as Want to Read: Want to Read saving... Want to Read. Currently Reading. Read. Dedication This book is dedicated to my wonderful wife and very patient son who both have been very supportive and helped me through the hardest periods of my life. I would also like to thank LTC for giving me the time to write this book and I hope that it is of some benefit for those that are teaching young learners. Finally, I would like to thank the community of English language teachers for their inspiration, and I really do hope that this book is useful and practical. iii. The Young Learner Classroom. to learn English at a younger and younger age, there is pressure for English teachers to teach primary language learners. For teachers who have trained to teach adult learners, there is quite a stark contrast for primary language learners. Research Guides: English Language Learners: Find Books for ELL. How to Reach and Teach English Language Learners - Rachel Carrillo Syrja. This book provides practical strategies and tools for assessing and teaching even the most hard to reach English language learners across the content areas. Educating English Language Learners in an Inclusive Environment - Youb Kim and Patricia H. Hinchey. As the number of English language learners across the United States - and indeed, the world - increases exponentially, it is critical that pre-service teachers be prepared. This title helps tomorrow's teachers anticipate the diversity of contemporary classrooms and to understand and meet the needs of English language learners. In this book, the author helps students to improve their fluency and conversation skills by showing them how to share their own life experiences and reflections. This book focuses primarily on the speaking and oral aspects of learning English for advanced ESL students. Highlights: This book is all about the critical thinking. One of the best features of the book is that it has thematic chapters filled with proverbs and quotations to fuel discussion in the classroom. Each chapter has a different theme ranging from exploring daily habits to pet peeves. After each activity, there is a conversation
