"This is her daughter?" Tara, the illegitimate daughter of the noble Queen Adelaide, was thrown away as a baby and raised by poor relatives. They sent her to a notorious mage in the west named Judas, whom she had never met before. While she is overwhelmed by her so-called guardian's impossible beauty, he and the others in the castle treat her warily, hateful of the queen. However, the girl's lovable innocence and pitiful nature begin to melt the immortal magician's frozen heart "œStop acting cute. You're like a vixen.œ Why do you keep calling me a vixen?" "I do 0:47. Godzilla 2000 is a novel written by Marc Cerasini and published in 1997. It takes place in various places in the United States between 1998 and 2000. Following a few months after Godzilla's attack on Japan in the previous novel, Godzilla Returns, a team of teenagers is recruited by the U.S. military to train for a possible reappearance by the monster. However, another menace appears: a cloud of asteroids unleashes a horde of monsters on Earth. Although a number of
