## **Description:**

**From Publishers Weekly** Fans will be eager to read all-time home-run king Aaron's autobiography, written with freelancer Wheeler, especially as he was one of the last major league players with his roots in the Negro League. At 18 the Mobile, Ala.-born athlete was signed by the Indianapolis Clowns and within months was on his way to organized white baseball. He helped to integrate the South Atlantic (Sally) League--a horrible experience--and within two years was playing for the Braves in Milwaukee, Wis., a city that loved him; after 13 years the team moved to Atlanta, where he was shown little affection. Each chapter begins with a scene-setting introduction by Wheeler, then Aaron takes over, aided by reminiscences of boyhood friends, former teammates and baseball executives. The book is as much a social document as a

memoir, for Aaron is militant on race relations and views himself as a major successor to Jackie Robinson in the fight to end sports racism, which he finds widely practiced still. Photos not seen by PW. 100,000 first printing; \$125,000 ad/promo; author tour. Copyright 1991 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

**From School Library Journal** YA-- Aaron's autobiography is much more than a collection of baseball memories. It is the first-hand account of the prejudice faced by Aaron and his contemporaries who followed Jackie Robinson into the big leagues. The narrative is modest yet supremely confident ; from it emerges a picture of an incredibly talented man who fought for the opportunities he deserved. During the 23 years he played the game, Aaron became the best hitter of all time, surpassing even Ted Williams and Willie Mays. Readers will enjoy this inside look at his life and career. His unique, poignant life has made him a symbol for much of the social history of twentieth-century America. Raised during the Depression Henry Aaron left his mark on the world by breaking Babe Ruth's record for home runs. But the world has also left its mark on him. "Hammering Hank" Aaron's story is one that tells us much about baseball, naturally, but also about our times.Â Because of the depth and pertinence of Aaron's dramatic experiences, I Had A Hammer is more than a baseball autobiography. Henry Aaron's candor and insights have produced a revealing book about his extraordinary life and time. ...more. Get A Copy.

Hammering Hank Aaron's story is Free shipping over \$10. In this baseball season where my favorite team is floundering in the cellar, and every good story (compelling divisional races) is counterbalanced by the bad (steroids), I have been trying to maintain interest by re-reading some baseball books that I have read over the years. After re-reading "I Had A Hammer", I remember why it remains one of the best biographies/autobiographies that I have ever read. The sports genre in books is much harder than one would think to keep up interest in. There are very few gems in any sporting subject; mostly it's very mediocre to terribly vapid. "Hammering Hank" Aaron's story is one that tells us much about baseball, naturally, but also about our times. His unique, poignant life has made him a symbol for much of the social history of twentieth-century America. Raised during the Depression in the Deep South enclave of Mobile, Alabama, Aaron broke into professional baseball as a cross-handed slugger and shortstop for the Indianapolis Clowns of the Negro American League. A year later, he and a few others had the unforgettable mission of integrating the South Atlantic League. A year after that, he was a timid rookie leftie Hank Aaron story. The Henry Aaron with Lonnie Wheeler. For the people who have always stood by me when the going was rough my wife, Billye; my parents, Herbert and Estella Aaron; and my children, Gaile, Hankie, Lary, Dorinda, and Ceci. I love you all. H.A. For all those Negro League and sandlot players who might have been Hank Aarons if they'd only been given the chance. L.W. Contents. Introduction. INTRODUCTION Hank Aaron is almost twenty years older than I am, which is just about right. I have no baseball memories that predate him, and he is an eminent presence in the earliest ones. Actually, they are glimpses more than palpable memories, singleframe impressions of a figure who was at the same time remote and salient.

Reviewed in the United States on March 2, 2013. I Had a Hammer: The Hank Aaron Story is the autobiography of Hank Aaron, written in 1991 with Lonnie Wheeler. It covers his entire life to that point, including his baseball career from the Negro Leagues to the minors to big league stardom. This page was last edited on 18 June 2019, at 13:07. Content is available under GNU Free Documentation License unless otherwise noted. Henry Louis Aaron (February 5, 1934 – January 22, 2021), nicknamed "Hammer" or "Hammerin' Hank", was an American professional baseball right fielder who played 23 seasons in Major League Baseball (MLB), from 1954 through 1976. He spent 21 seasons with the Milwaukee/Atlanta Braves in the National League (NL) and two seasons with the Milwaukee Brewers in the American League (AL). Baseball legend Hank Aaron broke Babe Ruth's hallowed mark of 714 home runs and finished his career with numerous big league records.Â He was elected to the Baseball Hall of Fame in 1982, and eight years later, he published his autobiography, I Had a Hammer. In 2002, he was honored with the Presidential Medal of Freedom. Slowed by hip replacement surgery in 2014, Aaron nevertheless made it to a ceremony in January 2016 in which he was awarded the Japanese Order of the Rising Sun, Gold Rays with Rosette.
