That means limited to one perspective character at a time, and that character ought to be the one with the most at stake. Writing your novel in First Person makes is easiest to limit yourself to that one perspective character, but Third-Person Limited is most popular for a reason. Iâ€™m often asked how other characters can be revealed or developed without switching to them as the perspective character. Read current popular fiction to see how the bestsellers do it.

One of Joseph Conrad's most accessible novels, *The Secret Agent* is the chilling story of a terrorist plot. Based loosely on the failed Greenwich bombing of 1894, this short novel follows Adolf Verloc, who appears to be a successful businessman, happily married and living in London, but is in fact an anarchist spy for an unnamed country.

There will be no smut, harem, or ecchi, and BL/GL also count as romance. So for people more used to faster novels, it may read like endless filler, but I like it the way it is. Author also tends to bury mysteries and plotlines for use hundreds of chapters later, which only makes it seem even slower. Definition of a Novel. For the most part, novels are dedicated to narrating individual experiences of characters, creating a closer, more complex portrait of these characters and the world they live in. Inner feelings and thoughts, as well as complex, even conflicting ideas or values are typically explored in novels, more so than in preceding forms of literature. It's not just the stories themselves that are more personal, but the experience of reading them as well.
