The Male Body: An Owner's Manual: The Ultimate Head-to-Toe Guide to Staying Healthy and Fit for Life. Kenneth Winston Caine. 4.3 out of 5 stars 15. A good book on overall health issues, this book serves as a guide to health-related issues specific to women. It needs however updating, as some of the material is outdated or lacking recent findings, particularly relating to menopause and hormonal replacement therapy and heart disease. It covers everything from head to toe in a plain, comprehensible way with diagrams throughout the book to help explain. Have questions about your menstrual cycle or even menopause? This book has the answers. Wonder what to do about those ingrown toe nails? It has answers to help with that too. Every mother should give this to their daughter, and not only can they learn together but it can break the ice into awkward territory. Read more. One person found this helpful.
