Neil Armstrong was one of my boyhood heroes...how cool would it be to be the first man on the moon? I looked forward to reading this biography, and it finally made it to the top of my "to-read" list. == The Good Stuff ==. But while the book went on for pages and pages about Armstrong's Mother's favorite teacher, it couldn't devote a paragraph or two to a phenomenon that almost killed Armstrong, twice. \* By about the first ten pages, I was sick of hearing about his Mother and her religious fervor. Enough already.
