

Talbott Springs Elementary School Friday Newsletter March 6, 2020

PLEASE REMEMBER TO TURN YOUR CLOCKS AHEAD BY ONE HOUR THIS WEEKEND!

A message from the Principal:

As we close another busy week at TSES, I want to continue to express my gratitude to you for sharing your children with us at TSES. We are halfway through Q3 of the 2019-2020 school year and going strong! Please note that your child is bringing home his or her Q3 Interim Report in his or her backpack on Friday afternoon. If you have any questions or just want to discuss the progress report with a teacher, please contact that teacher as soon as possible. It is better to sort out a concern now than waiting until the end of Q3 in April. Congratulations to Collen, viola, and to Story, cello, for participating in the Howard County Elementary Honors Orchestra Concert on 2/29/2020. These students were nominated for this ensemble and rehearsed intensely for two weeks to prepare for the performance. Many thanks to Mrs. Castrillon for helping our students to prepare for this concert. Congratulations to Sydney and Cori for earning 'gold' for their portrayal of Diana Ross, to Natalie for her portrayal of Harriet Tubman and to Zyaire and Emmanuel for their portrayal of Will Smith earning 'silver' during the Unheard Perspectives HCPSS/BSAP event held on Saturday 2/29/2020. Many thanks to Mrs. Lepore for leading these students and for attending the event. Please remember to set your clocks FORWARD an hour on Saturday night/Sunday morning for the start of Daylight Savings Time! Have a wonderful weekend!

TSES Author Visit Postponed! Due to the unpredictability of international air travel this month, visiting author/illustrator Duncan Tonatiuh has asked our understanding in postponing his March 16 visit to TSES until a later date, hopefully in the current school year. He is flying in from Mexico and we are certainly empathetic with his concern. We will continue to hold books sent in from families for his autograph unless you email Mrs. Ressler (laura_ressler@hcpss.org) to return the book(s) to your child. Our TSES community is looking forward to hosting Mr. Tonatiuh at a later date!

Six Flags Read to Succeed is a free program that allows students in grades K-6 to earn tickets to Six Flags America just by reading six hours for fun. There are two ways to have your child qualify for a ticket. The first way is to send in the pink reading log to Mrs. Freer by April 14, 2020 with a parent signature or register your child using the following link and directions: Visit: [six flags.com/books](http://sixflags.com/books), Use the Talbott

Springs Elementary School Code: CSHMH and then log in the six hours of reading. The tickets will be sent home in May. If you have any questions, please contact Mrs. Freer at penny_freer@hcpss.org.

Coronavirus Updates: For continued updates from HCPSS Superintendent Dr. Martirano on the 2019 Novel Coronavirus or COVID-19, please visit the HCPSS Coronavirus Webpage. In addition, please see the message sent out by TSES on 3/5/2020 at this [link](#).

REPEATED INFORMATION

March Reading Challenge Starts Tuesday March 3, 2020: It's March Madness time and that means it's time for our annual Intermediate Reading Challenge. We are changing things up a bit since the teachers have beaten the students 3 out of the last 4 years. Starting March 3rd, the reading challenge will be a student/staff joint competition! Intermediate students will be competing by homeroom class. Interested staff have been randomly assigned to each class. Together they will work each week to read more than the challenge number of minutes. To move beyond week 1, classes need to average more than 100 minutes. On March 3rd, students in grades 3, 4 and 5 will bring home their Reading Challenge recording sheet taped into their agenda book. Students need to log their minutes per day and turn in the completed, signed slip on Tuesday, March 10th. Teams averaging over 100 minutes will bring home a new slip for that next week that same day. Thank you parents for signing off on your child's reading log. Check in with your children to hear how the teams are progressing this month! We look forward to announcing the new TSES champion reading team on March 31st!

The New World Information and Communication Order (NWICO or NWIO) is a term coined in a debate over media representations of the developing world in UNESCO in the late 1970s early 1980s. The NWICO movement was part of a broader effort to formally tackle global economic inequality that was viewed as a legacy of imperialism upon the global south. The term was widely used by the MacBride Commission, a UNESCO panel chaired by Nobel Peace Prize laureate Seán MacBride, which was charged with creation of a New Information Technologies can be (and are) used both for surveillance and for sousveillance. Neither watching from above nor watching from below is inherently good or bad. Both have potential benefits for communities and individuals, and both raise significant concerns about the possibility for invasion of privacy, misuse of information, and related issues. We cannot blame technologies for these problems nor can we expect technology to sort them out for us. We need to do that ourselves. New information, Addis Ababa, Ethiopia. 1.2K likes. all in one.
