THE POWER TO PREDICT How Real-Time Businesses Anticipate Customer Needs, Create Opportunities, and Beat the Competition. Vivek Ranadiv. McGraw-Hill New York Chicago San Francisco Lisbon London Madrid Mexico City Milan New Delhi San Juan Seoul Singapore Sydney Toronto. The Power to Predict, addresses how seemingly insignificant situations can now be correlated, interpreted and processed in ways we never thought possible. I. Competition in business is the contest or rivalry among the companies selling similar products and/or targeting the same target audience to get more sales, increase revenue, and gain more market share as compared to others. Types Of Competition. Also called market competition, business competition is usually a fact in a profitable market " many players produce similar products, sell through similar channels, and even target the same audience. This competition, however, can be classified into three types ". Direct Competition. Direct competitors are vendors that sell the same products to the sa
