#### Description:

This classic text-reader introduces readers to the fundamental, timeless, and pressing questions of philosophy. The authors make the issues accessible for students with primary source readings incorporated into clearly written text material and an extensive pedagogical program that includes running summaries, high-interest boxes, biographies, epigrams, a philosophical dictionary. The new edition has been streamlined and revised to include a new chapter on Democracy, which expands the coverage of the ever-evolving realm of social and political philosophy.
