

Public General Acts, Volume 17 / H.M. Stationery Office, 1881 / Great Britain / 1881

In Acts, Luke has provided a broad survey of the church's development from the resurrection of Jesus to Paul's first Roman imprisonment, the point at which the book ends. In telling this story, Luke describes the emergence of Christianity from its origins in Judaism to its position as a religion of worldwide status and appeal. Originally a Jewish Christian community in Jerusalem, the church was placed in circumstances impelling it to include within its membership people of other cultures: the Samaritans (Acts 8:14-25), at first an occasional Gentile (Acts 8:26-30; 10:1-48), and finally the Gent of the Act; and a major security-based swap participant registered pursuant to section 15F of the Act that is also a broker or dealer, including an OTC derivatives dealer, registered pursuant to section 15 of the Act. Section 240.18a-5 (rather than this section) applies to the following types of entities: A security-based swap dealer registered pursuant to section 15F of the Act that is not also a broker or dealer, including an OTC derivatives dealer, registered pursuant to section 15 of the Act; and a major security-based swap participant registered pursuant to section.
