

Sign Language for Kids: A Fun & Easy Guide to American Sign Language | Sterling Publishing Company, Inc., 2004 | 95 pages | 9781402706721 | Lora Heller | 2004

My 9 year old asked for a sign language book and this one has been excellent. She has learned so much from it and it has increased her signing ability and interest. The photos are great the explanations are very helpful. There is a very good list of words that will interest kids to be able to sign. Read more. 3 people found this helpful. Bboop41. 5.0 out of 5 stars Sign Language for Kids Book Review. 26 June 2016 - Published on Amazon.com. Verified Purchase. This is a great book if you have family members who want to learn sign language. The colors in the book are vibrant and the signs are easy to follow. Heller did a great job putting this ... American Sign Language for Kids: 101 Easy Signs for Nonverbalâ€¦ Rochelle Barlow. 4.7 out of 5 stars 115. The pictures are so clear and easy to read. I also liked the extra information, the book included, on American Sign Language grammar and history. I also liked that it is divided into categories and is not a dictionary type signing book. I was disappointed before I bought it, that there were no pictures of the inside of the book. I was very worried that it would be one of the many books that were not up to the hype, but I was happy with what it contained. I included a picture of the categories and one example of a page for others who prefer to have an idea of the contents of a book before purch American Sign Language is one of those fascinating forms of communication. As you walk through a grocery store, a restaurant, or a park, you might see some people moving their hands in the air as they look at each other. About This Book. American Sign Language For Dummies is designed to give you a general understanding of how to communicate in American Sign Language, as well as a general understanding of Deaf culture and Deaf history. As youâ€™ll soon see, the language and the culture go hand in hand and canâ€™t be separated, and an understanding of both makes you a better signer.
