How to Improve your English fast? Learning English is always difficult for English learners. But as you know, to learn and understand English completely, you need to study on all areas of English. English has four main skills to focus on are: Reading, Writing, Speaking, and Listening. Our English courses call these "core skills". Because you need to study all skills for you to learn English well. Here are some of the best ways for you to learn English. Speaking Skill. You should try to speak English as often and as much as possible!

English learn story. When I was in primary school, I visited a private English coach for a year or two. However, there were no major results. A bit later, there were English lessons, when I was in secondary school, unfortunately, I was not really good in English learning. As a result, when I had graduated from school, I heard that grammar exist, could not talk at all, was able to read with a dictionary. When I was studying at a university, I had been involved in IT, so I started to read IT docs in English. I learn online with a native teacher. I used to spend about 20 hours per week for English learning. How to estimate your level. One of the bests ways is to go to an English school, usually, they can estimate your level for free before a course. However, there are a lot of online tests How do I learn English

Nowadays it's very necessary to know a foreign language. Knowledge of foreign language helps us to develop friendship and understanding among people. The total number of languages in the world is from 2500 to 5000. English is spoken all over the world and very popular. There is a proverb: "Knowledge is Power" I agree with it. I study English, because I want to read English books of great writers in origin. I want to communicate with people from different countries, I want to understand their culture and traditions. I like to travel. Speaking English I can travel anywhere People often ask me: How did you manage to learn English so well? I have quite a baggage of my own experience and it took me long, and it was not an easy walk. A major part of my teaching job is dedicated to thinking over finding quicker solutions. I want to be the person with hands full of efficient advice because for me there was no such a person. I had to do it myself, on my own. What I will be trying to do in this article is I will be trying to persuade you that learning a foreign language is actually possible. It is VERY possible. And you don't need to spend money on language courses in E... If you're going to learn English, you have to share this attitude. Be prepared to initially fail and make lots of mistakes. Self-learning is great, but if possible, look for a personal language mentor or tutor. You can easily find one online if you don't have local options. Teachers can identify and correct your mistakes much faster than you would on your own. And by reading nonfiction, I learned lots of new and interesting facts and figures, as well as how to express them accurately and appropriately in English. Of course, not everyone is a bookworm (someone who loves reading). But it's still easy to find English materials that you'll love reading, to boost your comprehension skills in an enjoyable way like I did. For example, you don't have to start with huge English novels.

How to Learn English. This page is for people who already know some English, and can read a page like this written in basic English. It shows you how to organize your learning for maximum results. You may also want to read these 5 tips for learning English later. Where do I start? Why do you want to learn English? Before you begin, or go back to, studying English, ask yourself one question. Why do I want to study English? Is it because you want to, or because someone else wants you to? Like every decision in life, studying English must be something you want to do. Set goals If you know why you How do I learn English Nowadays it's very necessary to know a foreign language. Knowledge of foreign language helps us to develop friendship and understanding among people. The total number of languages in the world is from 2500 to 5000. English is spoken all over the world and very popular. There is a proverb: «Knowledge is Power» I agree with it. I study English, because I want to read English books of great writers in origin. I want to communicate with people from different countries, I want to understand their culture and traditions. I like to travel. Speaking English I can travel anywhere How I learned English. (I wrote this story in 2001.) My full name is Michal Ryszard Wojcik. I live in Poland and Polish is my native language. I am a mathematician and an enthusiast of English. I learned English very well and now I want to share my experience with other people. I had my first contact with English when I was six. My dad inspired me to listen to The Beatles. I listened to them every day for the next seven years.
