The essays place Latin American literature, music and visual arts in historical context, from the early nineteenth century through the late twentieth century. Topics include narrative fiction and poetry; indigenous literatures and culture; the development of music, sculpture, painting, mural art, and architecture; and the history of Latin American film. Each chapter is accompanied by a bibliographical essay. You can write a book review and share your experiences. Other readers will always be interested in your opinion of the books you've read. Whether you've loved the book or not, if you give your honest and detailed thoughts then people will find new books that are right for them. 1.
