In "The Christian Warrior", Isaac Ambrose (1604-1664) provides armament and strategy to fight our tireless adversary, the devil. He begins by showing, from Ephesians 6:12, how all God's people are warriors engaged in a battle, that our enemy is both powerful and malicious, and that we must wrestle and strive hard against him. Ambrose gives practical, point-by-point advice throughout the book on how to cope with these attacks. He illustrates how Satan attempts to foil the believer coming to Christ at each stage of his conversion. He then shows how Satan tries to convince the doubting believer that his conversion is not genuine, and how to answer those arguments. The Christian Warrior. No video available for this selection.
