The Enormous Room (The Green-Eyed Stores) is a 1922 autobiographical novel by the poet and novelist E. E. Cummings about his temporary imprisonment in France during World War I. Cummings served as an ambulance driver during the war. In late August 1917 his friend and colleague, William Slater Brown (known in the book only as B.), was arrested by French authorities as a result of anti-war sentiments B. had expressed in some letters. When questioned, Cummings stood by his friend and was also arrested. the enormous room I'm a 37 years old musician from Munich/Germany, playing Electric Bass / Fretless Bass. The various French authorities (and for that matter American, Cummings accommodates everyone), from the snobbish regional police chief to his mediocrally minded jailers are more or less treated with the disdain a clever 12 year old feels, but rarely shows War-time Japes.Â The can excited my curiosity. However, it also serves as an allegory for Cummings' mind and his memories of the prison â€“ such that when he describes the many residents of his shared cell, they still live in the "enormous room" of his mind.
