Even if you are making a transition to glass containers for your lunches and leftovers, chances are you still have a small stockpile of plastic containers in your kitchen. And no matter how thoroughly you scrub them, there comes a point where they start to smell a little stale. Are you sure you want to remove **The Chinese way to wealth and prosperity** from your list? The Chinese way to wealth and prosperity. 8 timeless strategies for achieving financial success. by Michael Justin Lee. In the same way that I love cookbooks with a narrative -- more memoir than instructional manual -- I found reading "The Chinese Way to Wealth and Prosperity" pleasurable in that I learned much about the culture of my own people. This book is clearly and concisely written with the lay reader in mind. In our economy, who would want to learn about getting rich slowly? However, the financial crisis of this country is mostly attributable to the "get-rich-quick" mindset of many Americans. Here's the author's remedy for this malaise: utilize the human capital that is in

In 1979, the year China carried out its new development strategies and policies in a comprehensive way, I was enrolled at a university of finance and economics. After graduation, I worked for the Chinese Academy of Social Sciences before joining the World Bank to do research on Chinese economic policies. Later I studied China's macro-economy and capital market with a French investment bank. In 2000, I co-founded an IT company in China providing outsourcing services to US software companies. This experience has allowed me to closely observe and be intimately involved in the tremendous changes C...
