Please use the Get access link above for information on how to access this content. Copyright. COPYRIGHT: © American Society of Church History 1976. Protestantism eventually became the majority faith throughout northwestern Europe and in England and English-speaking America. In the 19th century, missionaries from those areas spread Protestantism throughout the world, establishing, with Roman Catholicism, a presence in Asia and Africa and in largely Catholic Latin America. It is impossible to separate Protestantism from the general history of the North Atlantic nations, especially those in North America, where it was firmly established for centuries and where its churches still play important roles.
