

# The Works of the Right Honorable Edmund Burke, Volume 2, . 1866. Edmund Burke.

Little, Brown,, 1866

The honorable gentleman has made one endeavor more to diversify the form of this disgusting argument. He has thrown out a speech composed almost entirely of challenges. Challenges are serious things; and as he is a man of prudence as well as resolution, I dare say he has very well weighed those challenges before he delivered them. Estimate your loss in it. The object of the act is gone already; and all you suffer is the purging the statute-book of the opprobrium of an empty, absurd, and false recital. It has been said again and again, that the five taxes were repealed on commercial principles. It is so said in the paper in my hand:3 a paper which I constantly carry about; which I have often used, and shall often use again. See what's new with book lending at the Internet Archive.
