

A Bibliography of Labor History in Pennsylvania

Compiled and edited by
Nathaniel J. Donato
University of Pittsburgh

Pennsylvania Labor History Society
September, 2014

Table of Contents:

African American Labor	2
Coal	3
Deindustrialization	10
Farming	11
Industrialization	12
Iron	13
Law and Politics.....	16
Life	18
Lumber	19
Oil	20
Railroads and Locomotives.....	21
Steel.....	23
Strikes	27
Textiles.....	30
Unions	33
Women’s Labor	35
Other	36

African American Labor:

Bezís-Selfa, John. "Slavery and the Disciplining of Free Labor in the Colonial Mid-Atlantic Iron Industry." *Pennsylvania History* 64 (1997). 270-286.

Bloom, John. "The Farmers Didn't Particularly Care for Us': Oral Narrative and the Grass Roots Recovery of African American Migrant Farm Labor History in Central Pennsylvania." *Pennsylvania History* 78.4 (2011). 323-354.

Bodnar, John E. "Peter C. Blackwell and the Negro Community of Steelton, 1880-1920." *The Pennsylvania Magazine of History and Biography* 97.2 (1973). 199-209.

Cole, Peter. *Wobblies on the Waterfront: Interracial Unionism in Progressive-Era Philadelphia (Working Class in American History)*. Champaign: University of Illinois Press, 2007.

Dickerson, Dennis C. *Out of the Crucible: Black Steelworkers in Western Pennsylvania, 1875–1980*. Albany: State University of New York Press, 1986.

Gottlieb, Peter. *Making Their Own Way: Southern Blacks' Migration to Pittsburgh, 1916–30*. Urbana: University of Illinois Press, 1987.

Miller, Jacquelyn C. "The Wages of Blackness: African American Workers and the Meanings of Race during Philadelphia's 1793 Yellow Fever Epidemic" *The Pennsylvania Magazine of History and Biography* 129.4 (2005). 163-194.

Osborne, Christopher M. "Invisible Hands: Slaves, Bound Laborers, and the Development of Western Pennsylvania." *Pennsylvania History* 72.1 (2009). 77-99.

Ryan, Francis. *AFSCME's Philadelphia Story: Municipal Workers and Urban Power in the Twentieth Century*. Philadelphia: Temple University Press, 2010.

Trotter, Joe William Jr. *River Jordan: African American Urban Life in the Ohio Valley*. Lexington: University Press of Kentucky, 1998.

Walker, Joseph E. "Negro Labor in the Charcoal Iron Industry of Southeastern Pennsylvania." *The Pennsylvania Magazine of History and Biography* 93.4 (1969). 466-486.

Wax, Darold D. "The Demand for Slave Labor in Colonial Pennsylvania." *Pennsylvania History* 34.4 (1967). 331-345.

Coal:

Abrams, James, et. al. "Anthracite Mining Unionism and the UMW: An Oral History." *Pennsylvania History* 58.4 (1991). 330-337.

Aldrich, Mark. "The Perils of Mining Anthracite: Regulation, Technology and Safety, 1870-1945." *Pennsylvania History* 64.3 (1997). 361-383.

Arnold, Andy. *Fueling the Gilded Age: Railroads, Miners, and Disorder in Pennsylvania Coal Country*. New York: New York University Press, 2014.

Aurand, Harold W. "Diversifying the Economy of the Anthracite Regions, 1880-1900. *The Pennsylvania Magazine of History and Biography* 94.1 (1970). 54-61.

Tourists are drawn to Pennsylvania by its monuments to America's revolutionary history, including Independence Hall and the Liberty Bell. Famous Pennsylvanians include patriot and inventor Benjamin Franklin, frontiersman Daniel Boone, painter Mary Cassatt, inventor Robert Fulton and comedian Bill Cosby. ^ Now the largest city in Pennsylvania, Philadelphia served as the nation's capital from 1790 until a permanent capital was established in Washington, D.C., in 1800. Both the Declaration of Independence and the U.S. Constitution were signed in Philadelphia. In July of 1952, Jonas Salk developed the first polio vaccine from the killed virus at the University of Pittsburgh. The historiography of the labor press is surprisingly small considering its prevalence. The extant literature, nonetheless, provide some important ideas about the course of working-class journalism, pointing to fertile research ground, while also offering insight into the variegated and complicated history of labor in America. ^ Public education supported by tax dollars also took shape beginning in Pennsylvania in 1834, precipitating a nationwide public educational system. ^ Historians mainly have been interested in publications of the Knights of Labor, Socialist organizations, and the union newspapers that emerged with American Federation of Labor. These newspapers have provided source material for many recent books about these working-class movements. Pennsylvania Overview: History. Enter your search terms: Exploration and Early Settlement. In the early 1600s the English, Dutch, and Swedes disputed the right to the region of Pennsylvania. ^ By this time Pennsylvania had developed into a dynamic and growing colony, enriched by the continuous immigration of numerous different peoples. The Quakers, English, and Welsh were concentrated in Philadelphia and the eastern counties, where they acquired great commercial and financial power through foreign trade and where they achieved a political dominance which they held until the time of the American Revolution. ^ In the face of this increasing concentration of power, labor struggled to achieve safer working conditions, higher wages, and shorter hours.

Books from the University of Pennsylvania Libraries. The Pennsylvania-German : devoted to the history, biography, genealogy, poetry, folk-lore and general interests of the Pennsylvania Germans and their descendants. 1900 1900. texts. eye 14,351. favorite 5. comment 0. Title from cover Topics: Genealogy, Pennsylvania Dutch. Organized labor has brought tremendous positive change to working Americans. Today, many workers enjoy higher wages, better hours, and safer working conditions. Employers often pay for medical coverage and several weeks vacation. Jobs and lives were lost in the epic struggle for a fair share. The fight sprouted during the Gilded Age, when labor took its first steps toward unity. It began with the Great Upheaval. *Historiography of Work* An annotated bibliography of resources about the history of labor and workers, from ancient times up until the 21st century.
